UNIVERSITY OF CALIFORNIA, SANTA BARBARA
Guardian Scholars Program

www.sa.ucsb.edu/guardianscholars
Dear Prospective Students:

In 2007 I met an amazing young woman who had grown up in the foster care system. That meeting changed my life and inspired me to create the Guardian Scholars Program at UCSB. I am very proud of the program, as it has matured into the program we have today. We adopted the philosophy of “Nothing for us, without us” which means THIS IS YOUR PROGRAM! Each student who participates will have an impact on the program and all activities we plan, services we provide and the evolution of the program as we continue to grow.

The Guardian Scholars Program is here to serve your needs and to support you on your journey of academic success and career preparation. We will cheer you on every step of the way and lend our support when you need an extra hand to keep you on track for success. We will also have a lot of fun as we connect for hikes, barbecues, holiday events and simply hanging out!

It is my honor and privilege to work with you. You join the company of many amazing Guardian Scholars who attended UCSB and who forever remain part of our special Guardian Scholars family.

It is my hope that UC Santa Barbara will become home to you and that I can lend my support to your success.

Sincerely,

Lisa Przekop
PROGRAM RESOURCES

PEER ADVISORS
Peer Advisors are students of the Guardian Scholars Program who have been hired to assist in programmatic activities and development. As the front line staff, the Peer Advisors are the face of the program. They facilitate meetings, plan and conduct student activities and lead the student organization.

STUDENT ORGANIZATION
The student organization component of the Guardian Scholars Program is a single component of the program, as well as the most fundamental. Through the UCSB Office of Student Life, the student organization plans events, hosts fundraisers and allows students to find and build their community of peers within the program.

PROGRAM PARTNERS

EDUCATIONAL OPPORTUNITY PROGRAM
EOP services all students while focusing on low-income and first-generation undergraduates. EOP provides mentorship, social and cultural programming, one-on-one counseling and advising, campus student support service referrals and academic programs. All students in the Guardian Scholars Program are EOP eligible.

ASSOCIATED STUDENTS FOOD BANK
The Food Bank provides a pantry for students on campus, including members of the Guardian Scholars Program, when personal supplies and necessities, including food, are scarce. The Guardian Scholars Program gives back to the Food Bank through food drives, collaborations and volunteering.

HOUSING AND RESIDENTIAL SERVICES
Students of the Guardian Scholars Program are given priority in housing placements and have the support of a dedicated liaison who is constantly assisting with special requests and unique needs.

35% of Guardian Scholars are in Biology or Psychology-related majors
36 2016 seniors self-identify as former foster youth
150 current UCSB students self-identify as former foster youth

ADVISORY COMMITTEE
The Advisory Committee is made up of a group of UCSB staff members who serve as the respective departmental liaisons to the program and students.

GUARDIAN SCHOLARS STUDENT PERSPECTIVES

ANDREW CHONG
Economics and Accounting, Class of 2018

WHY UCSB? I chose UCSB because of the strong sense of unity. Also, UCSB offers many different research opportunities as well as a beautiful campus.

GUARDIAN SCHOLARS The Guardian Scholars community is very close, and we all enjoy creating a bond with one another. The community is very inclusive in every activity and allows each and every one of us to be active throughout the program. This community is life-changing!

LAURA ADDISON
Feminist Studies / Black Studies, Music Minor, Class of 2017

WHY UCSB? I chose UCSB because of the campus. I loved the fact that the beach was within walking distance, and then I soon discovered that UCSB has the best academic programs and even student activism.

GUARDIAN SCHOLARS The best thing about Guardian Scholars is to see people with similar situations thrive in a competitive university environment. Students that come from difficult backgrounds such as not having a stable household can benefit from programs like Guardian Scholars.

LETRICIA CEBALLOS
History, Class of 2017

WHY UCSB? Choosing UCSB was the easiest decision I have ever made. The beach was only part of the beauty of this campus. The atmosphere just fostered success, and I wanted to be a part of that.

GUARDIAN SCHOLARS When I went to my first meeting I heard people laughing, catching up, talking about school, etc. There was a shared experience that even if no one ever spoke about, we knew was there. I’m overwhelmed with the sense of community. I will forever be grateful for this program.

DAVID JOHNSON
Political Science, Class of 2016

WHY UCSB? UCSB was one of my top choices when deciding which school to transfer to after community college. The main reason I chose UCSB was because of the diverse opportunities that were presented that I knew would enhance my academic career to a whole other level.

GUARDIAN SCHOLARS The Guardian Scholars Program is an amazing academic support system that has definitely helped me achieve my academic goals and has made my journey at UCSB very smooth.

COMMUNITY SUPPORTERS

There are many different supporters and champions of the Guardian Scholars Program throughout the Santa Barbara community who assist students in many different ways and areas. Generous donors include:

- The Hilton Foundation
- Santa Barbara Assistance League
- The John Burton Foundation
- The Makarechians
- A.S. Bike Shop
- Nisbet Family Foundation
- Transportation Alternatives Program
- Orfalea Foundation
