The University of California, Santa Barbara is part of the 10-campus University of California system, one of the largest and most respected public universities in the world.
6 faculty Nobel Prizes in chemistry, economics and physics

#3 public university in the world for impact on the sciences in the Leiden Ranking, 2018

10 national institutes and centers, including the Kavli Institute for Theoretical Physics

Professor Shuji Nakamura won the 2014 Nobel Prize in Physics.
UCSB’s global rankings, research achievements and creative activity make it an ideal place to gain an undergraduate degree.

600+ active inventions have resulted from UCSB research

50% of undergraduate students conduct research

$200,000 in grants and funding to support undergraduate research each year

As a professor of mechanical engineering, UCSB Chancellor Henry T. Yang teaches undergraduate courses each year.
Santa Barbara, California is located 160 kilometers (100 miles) northwest of Los Angeles and less than two hours from the LAX airport. Students have access to easy bus transportation multiple times daily.

Santa Barbara’s location on the shore of the Pacific Ocean provides extraordinary weather, making the city ideal for outdoor recreation. Santa Barbara is a tourist destination with excellent shopping, restaurants, movies and music.
Santa Barbara offers beautiful year-round weather with warm summers and mild winters.
Biking is the main form of transportation on campus with 11 kilometers (7 miles) of bike paths.

The newly-renovated UCSB Library includes beautiful study spaces and the Summit Café.

The Recreation Center offers exercise equipment, a climbing wall, aquatics, group fitness classes and more. recreation.ucsb.edu

Students can show their school spirit by supporting UCSB’s 19 men’s and women’s Division 1 NCAA teams. ucsbgauchos.com

College of Creative Studies supports highly motivated students in research and the creation of new knowledge in one of eight disciplines in science, humanities and the arts. Small College of Creative Studies seminars and close mentorship by faculty, coupled with access to classes and resources across campus, permit students to make original contributions to their fields. Applicants must submit a supplemental application for review by faculty. ccs.ucsb.edu

College of Letters and Science offers a broad liberal arts curriculum that prepares students for careers or graduate study. An exciting array of majors help students develop critical thinking and communication skills needed in today’s changing world—in the humanities and fine arts, life and physical sciences, mathematics and the social sciences. The Honors Program creates a community of scholars for highly motivated students. The Undergraduate Research and Creative Activities program funds student research projects. duels.ucsb.edu

College of Engineering offers five majors, plus accelerated programs that lead to master’s degrees in five years. The environment and modern laboratory facilities foster creativity, collaboration and discovery. Courses balance theory and applied science, leading students to successful careers in academia and industry. An exceptionally low student-to-faculty ratio encourages students to take part in faculty-directed research and independent study. engineering.ucsb.edu
UCSB offers 90 majors, 40 minors and honors programs for top students. Pre-professional preparation is also available through the Technology Management Program (tmp.ucsb.edu), Pre-Law Program (duels.ucsb.edu/professional/law), Pre-Health Program (duels.ucsb.edu/professional/health) and Teacher Education Program (education.ucsb.edu).

Housing

Residential community
19,000 students live on or within one mile of campus, adding to the vibrant university community.

Break housing
Residence halls traditionally close during breaks, but UCSB provides housing during closures for international students if requested.

Dining
UCSB’s four dining commons offer local produce and offerings made with seasonal ingredients.

› Learn more at housing.ucsb.edu/community/international-students
UCSB offers residence halls and apartments including high- and low-rise buildings with ocean, lagoon and mountain views.

Entering students are guaranteed university housing: all four years for freshman students and two years for transfer students.
Admission to UC Santa Barbara is competitive. The Office of Admissions is familiar with educational systems around the world and provides each applicant with a comprehensive review after applying.

› **Apply online:** universityofcalifornia.edu/apply

### Required Tests

Exams must be taken by the end of December prior to enrollment:

- SAT with Essay
- **OR** ACT Plus Writing

### TOEFL/IELTS

For students whose language of instruction is not English:

- TOEFL (minimum score of 80)
- **OR** IELTS (minimum score of 6.5)

*(Transfer applicants are required to have two English composition courses in lieu of TOEFL)*

### Recommended Tests

- College of Engineering: SAT Math Level 2 subject test
- College of Creative Studies: SAT subject test related to major choice
- Duolingo English Test
  *(Recommended for students in countries where English is not the official language)*

› Learn more at admissions.ucsb.edu/applying/international/freshman-selection
International Baccalaureate

International Baccalaureate (IB) diploma students must take a minimum of five IB exams, with two exams taken at the higher level. The overall average must be 5 with no exam score below 4.

British Systems

You must complete at least five GCSE/IGCSE (O-Level) exams with a 3.4 GPA or higher and at least three GCE (A-Level) exams with a 3.0 (unweighted) GPA or higher and no grade below C to be considered for admission. If you receive A, B or C grades on your GCE (A-Level) exams, UCSB may grant you transfer credit toward your bachelor’s degree. The exact amount of credit will be determined after you are formally admitted and provide your official Statement of Results.
In general, an applicant to UC Santa Barbara will have graduated from a secondary school and earned a certificate of completion that enables attendance at a university in that country.
