Freshman Summer Start Program
UC SANTA BARBARA Summer Sessions 2019
Designed to help freshmen make a successful transition to campus life, this innovative, six-week program offers admitted first-year students a unique opportunity to take UCSB courses for full academic credit and participate in a wide range of special academic and social activities.
BENEFITS FOR FRESHMEN

- Get a head start on academics, with the opportunity to enroll in 7 to 13 units that meet your general education and pre-major requirements.

- Choose from a rich selection of over 90 undergraduate courses.

- Receive personalized attention from UCSB faculty in a small classroom setting and a supportive atmosphere.

- Integrate yourself into a social foundation of over 500 students within FSSP and find a community of friends to rely on throughout your time at UCSB.

- Gain a comprehensive introduction to UCSB services, facilities, and resources.

- Start early with special freshman seminars and honors section courses introducing undergraduate research opportunities, internships, and on-campus jobs.
FSSP students will live on campus in the San Nicolas Residence Hall overlooking the lagoon and the Pacific Ocean. San Nicolas is conveniently situated near classrooms, the De La Guerra Dining Hall, and the Davidson Library. FSSP students have easy access to recreation rooms, sand volleyball courts, and community lounges. Check out UCSB Summer Sessions’ Vimeo and take a virtual tour of San Nicolas dorm life today!
