Freshman Admission

UC Santa Barbara cannot admit all eligible applicants, so we use a holistic review process to select students who are more competitive than the minimum requirements. Learn about the 13 holistic review factors at the link below.

www.admissions.ucsb.edu/freshman

Eligibility & Selection Requirements

1. Subject Requirement
Complete 15 UC-approved A-G courses with grades of C or better. California students may refer to their school’s UC-certified course list online at www.ucop.edu/agguide.
   a. History or social science
   b. College-preparatory English
   c. Mathematics
   d. Science
   e. Language other than English
   f. Visual/performing arts
   g. College preparatory elective(s)

2. Grade Point Requirement
Students must earn a 3.0 minimum GPA (3.4 for non-residents) in all A-G courses. Only the grades earned in A-G subjects in the tenth and eleventh grades—including summer sessions—are used to calculate the UC GPA.

Courses passed with a grade of C or better in the ninth and twelfth grades are used to meet the A-G subject requirement, but they will not be used to calculate the UC GPA.

3. Personal Life Accomplishments
UCSB doesn’t just look at academic accomplishments to bring in our freshman class. We look at your extracurricular activities and accomplishments in light of the opportunities available to you.

Junior Transfer Admission

Priority consideration is given to California community college students. Admission is open to junior-level transfers for the fall term only. Admitted transfer students typically meet and exceed the UC minimum eligibility requirements for admission below.

3. Complete required major preparation courses. All applicants are encouraged to complete preparation in their intended major, and some majors require this preparation prior to transfer. See the Transfer Major Preparation Guide for details at www.admissions.ucsb.edu/selective-majors.
