

UC SANTA BARBARA

Admission Guide

Fall 2023

Where the Mountains Meet the Sea

The University of California, Santa Barbara is ranked as one of the top teaching and research institutions in the United States. UCSB offers a world-class education in a picturesque seaside location.

#5
public university in the U.S. (U.S. News and World Report, 2022)

#10
greenest college, showing UCSB's commitment to sustainability and the environment (Princeton Review, 2022)

2015
The year UCSB was recognized as a Hispanic-Serving Institution and an Asian American Native American Pacific Islander-Serving Institution by the U.S. Department of Education

*Estimated times without traffic.

Community

Many students say they chose UCSB because of the friendly and collaborative environment. Join 500+ clubs, visit cultural resource centers, participate in Living Learning Communities in campus housing, and more.

Location

UCSB is located right on the shore of the Pacific Ocean, making it an ideal place to spend your college years. The local community features excellent recreation, internships, cultural activities, and dining. Want to get out of town? Santa Barbara has easy and accessible transportation options!

Where Brilliance Blooms In Every Classroom

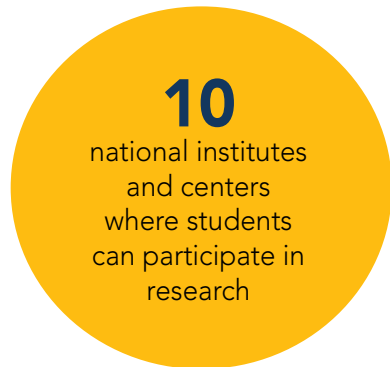

In addition to outstanding majors in UCSB's three undergraduate colleges—Letters and Science, Engineering, and Creative Studies—students have access to educational, professional, and personal resources.

Academics

With top-ranked programs, each major at UCSB provides an excellent learning experience beyond the classroom. A majority of UCSB students take advantage of academic opportunities and pre-professional programs, such as Health Professions Advising, Pre-Law Program, Pre-Professional Education Program, the Technology Management Program, undergraduate research, and more. Opportunities for our students don't end on campus. 67% of UCSB students engage in professional internships within the Santa Barbara community to prepare themselves for the next step.

Support

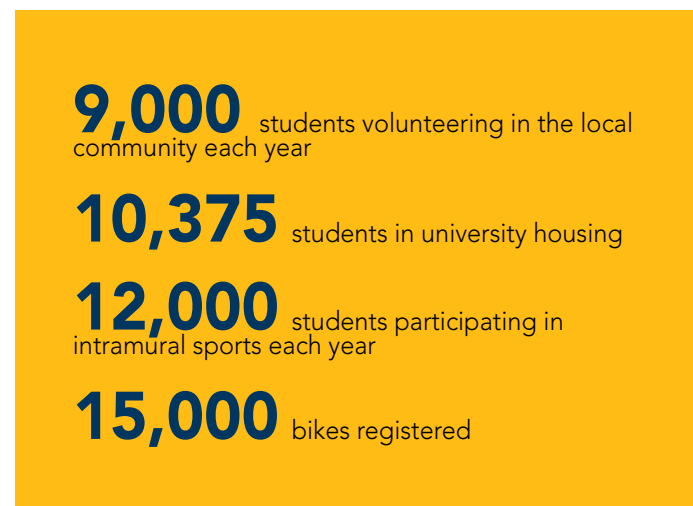

Staff and faculty at UCSB want students to succeed. A variety of support programs are available, including academic advising, tutoring, resource centers, and counseling. Support programs include, but are not limited to, the Campus Learning Assistance Services, Disabled Students Program, Counseling & Psychological Services, the Health and Wellness Department, and Career Services.

Where the Sun Shines

Life as a UCSB student is lively. Students get involved in clubs, find their community, and engage in new experiences. With nearly 300 days of sunshine every year, students take advantage of actively immersing themselves with unmatched cultural, social, and physical opportunities on campus.

Where Leaders are Made

Freshman Admission Eligibility Requirements

► admissions.ucsb.edu/freshman

1 A-G Courses

Complete 15 UC-approved A-G courses with grades of C or better. California students may refer to their school's UC-certified course list at ucop.edu/agguide.

A. History/social science: 2 years

► 1 year U.S. history and 1 year European or world history

B. English: 4 years

C. Mathematics: 3 years (4 recommended)

► At minimum: elementary algebra, geometry, advanced algebra

D. Science: 2 years (3 recommended)

► Must include two of three areas: biology, chemistry, or physics

E. Language other than English: 2 years (3 recommended)

F. Visual/performing arts: 1 year from a single discipline: dance, drama/theater, music, or visual art

G. College preparatory elective: 1 year beyond the minimum A-F courses required

2 Grade Point Average (GPA)

Students must earn a **3.0 minimum GPA (3.4 for non-residents)** in all A-G courses. Only the grades earned in A-G subjects in the tenth and eleventh grades—including summer sessions before and after these years—are used to calculate the UC GPA.

Courses passed with a grade of C or better in the ninth and twelfth grades are used to meet the A-G subject requirement, but they will not be used to calculate the UC GPA.

UCSB Freshman Selection

Selective applicants exceed the UC eligibility requirements above.

UCSB doesn't just look at academic accomplishments to bring in our freshman class. We look at your extracurricular activities and accomplishments in light of the opportunities available to you. UCSB considers 13 holistic review factors to review your achievements and personal qualities in the context of the opportunities and/or challenges you have experienced. admission.universityofcalifornia.edu/counselors/freshman/comprehensive-review/

Pandemic Grading

A-G courses completed between Winter 2020 and Summer 2021 with Pass (P) or Credit (CR) grades will satisfy appropriate A-G requirements. This applies to all students.

Examinations

UC is test-free. UCSB will not consider SAT or ACT test scores when making admissions decisions or awarding scholarships.

And Futures are Paved

Transfer Eligibility & Selection Requirements

All students, regardless of the institution they are transferring from, are held to the same requirements listed below, which must be completed by the end of the spring term prior to transfer. Priority consideration is given to California community college students. Admission is open to junior-level transfers for the fall term only.

► admissions.ucsb.edu/transfer

1 Seven-Course Pattern

Complete the **seven-course pattern** requirement, earning a grade of C or better in each course:

A. Two courses in English composition (UC-E)

B. One course in mathematics beyond intermediate algebra, such as college algebra, precalculus or statistics (UC-M)

C. Four courses from at least two of the following areas:

- Arts and humanities (UC-H)
- Behavioral and social sciences (UC-B)
- Biological and physical sciences (UC-S)

2 Transferable Credit

Complete **60 semester or 90 quarter units** of UC-transferable college credit with a grade point average of at least 2.4 for California residents and at least 2.8 for nonresidents (up to 14 semester/21 quarter units of Pass/Credit grades can be used to reach the minimum unit requirement). A selective GPA for most majors is a 3.4 and above.

3 Major Preparation

Complete required major preparation courses. See assist.org or our Major Preparation Guide for details. admissions.ucsb.edu/transfermajorprep2023

Additional Resources

ASSIST offers online UC transferable course lists and major preparation agreements which explain in detail what will transfer from every California community college (CCC) to the University of California (UC) campuses. assist.org

UC Transfer Admission Planner is an online tool that helps students track and plan transfer coursework. uctap.universityofcalifornia.edu

Guide to Course Transferability explains what types of courses have the best chance of transferring to UCSB, as we are unable to pre-evaluate courses. admissions.ucsb.edu/transfer-eligibility-selection

UCSB Transfer Selection

Admitted transfer students typically meet and exceed the UC minimum requirements for admission. All applicants are encouraged to complete preparation in their intended major, complete English and math requirements early, and to focus on their academic preparation. admissions.ucsb.edu/transfer-eligibility-selection.

Transfer Admission Guarantee (TAG)

The TAG program offers guaranteed admission to California community college students who meet specific requirements. TAG is available for every major in the College of Letters and Science (except performing arts majors that require an audition). TAG is not available for majors in the College of Engineering or the College of Creative Studies.

Full details can be found on our TAG webpage. admissions.ucsb.edu/tag
