

Summer 2023 Freshman Virtual Event Offerings

Join UC Santa Barbara in our Summer 2023 virtual admissions events to learn about the University of California application and explore UCSB's academics, resources, and research opportunities on our campus.

Explore our **Virtual Admissions Events** webpage to view all of our virtual event offerings, including our transfer events. If you'd like to take a guided virtual tour of UCSB, visit the **Virtual Guided Tours** webpage. Be sure to check back frequently as these virtual events are updated throughout the year.

UC Application Workshop

Explore the different sections of the freshman UC application (shared by all nine undergraduate UC campuses). Learn to avoid common mistakes and prepare to work on your own application this fall.

UC Personal Insight Questions (PIQs)

Join this webinar to discuss the Personal Insight Questions (PIQs), what is expected of students in their PIQ answers, and how to share your story. This workshop is not specific to UCSB, as all UC campuses receive the same application.

Campus Admission Presentation

Learn more about life at UC Santa Barbara! We'll share details about our campus, academics, student life, research, and give a brief overview of both freshman and transfer admissions before a Q&A session.

UCSB Freshman Selection

Drop-in this webinar as we discuss the freshman admission and selection process at UCSB. We will detail the differences in our three undergraduate colleges and how your major can (or cannot) play a factor in selection. We will share what we look at and how we evaluate your UC application.
