

# Admitted Students

## Informative Booklet

### WELCOME TO UCSB!

Thanks for attending UCSB's Gaucho Transfer events by the Office of Admissions! While you take some time to decide what university you will commit to, feel free to take a look at the following resources and tips for navigating your next steps to transfer student life at UCSB.

As always, if you have any questions, please feel free to contact us directly at [admissions@ucsb.edu](mailto:admissions@ucsb.edu).

### STATEMENT OF INTENT TO REGISTER

Students must submit a SIR by June 1st, 2023. The SIR can be submitted to UCSB through your UCSB Portal. If you choose to come here, please know that a \$250 fee will be required and is non-refundable. Some students may be eligible for fee waiver or a fee deferral that can be covered by your financial aid. If you choose not to come here, that is completely okay, but please let us know by declining the SIR!

# Matriculation

noun: the formal process  
of entering a university

# UCSB NETID

You can create your UCSB netID within your UCSB Portal under "identity manager." Your UCSB netID will be required in order to register for transfer orientation and your future courses at UCSB. Your UCSB netID will also be required when filling out your housing application, submitting student health records, and applying for financial assistance. It takes about a week for accounts to process so the sooner you can create an account the better!

## FINANCIAL AID

You can review your financial aid award letter inside of your UCSB Portal. This award letter will inform you how much financial assistance you will receive from UCSB. Students who choose to attend UCSB will also be able to apply for additional scholarships, grants, loans and/or work study to help with their financial needs. Be sure to weigh all of your financial aid options equally before submitting your SIR to any UC campus.

## ORIENTATION

Sign up for Transfer Orientation to meet with your major department advisors this fall! Registering for Transfer Orientation will give you the opportunity to discuss your next academic steps at UCSB so you can stay ahead. You can register for Transfer Orientation through your UCSB Portal. Please know that Transfer Orientation is not required, but highly recommended. A UCSB netID will be required to register.

## IMPORTANT DATES

**01** JUN

Submit the Statement of Intent to Register

---

**15** JUN

Submit your request for university housing

---

**26** JUN

Summer sessions begin until September 16

# HOUSING

Want to live on campus? The undergraduate apartments are a perfect fit for recently admitted transfer students. The housing application can be found within your UCSB applicant portal underneath the "Next Steps" tab. Living on campus is optional and not mandatory. UCSB netID will be required for housing application.

# STUDENT HEALTH

UCSB offers medical services, behavioral health, sexual and reproductive health, alcohol and drug programs, and pharmacy support for all of our students! Students can enroll in UCSB insurance or stay with their original health plan (if eligible). View Student Health inside your UCSB applicant portal to see which documents you may have to submit to UCSB prior to the beginning of fall term. UCSB netID will be required.

# ACADEMIC ADVISING

Between now and fall, you may have specific questions about selecting courses for summer and fall. The Office of Admissions is unable to provide academic advising for UCSB students. We strongly recommend you attend Orientation this summer for this reason.

## IMPORTANT DATES

Submit your official transcripts from all colleges attended

---

**15** JUL

Submit all official test scores and transcripts from your application

---

**14** AUG

Orientation sessions begin through August 18

# Campus Resources

plural noun: university services  
available to students to make their  
university experience as smooth  
and positive as possible

## TSC

The UCSB Transfer Student Center is a space for transfer students to foster community, receive transfer-specific graduation advising, connect with campus resources, and more. Located within the UCSB Library, this space is at the center of transfer student life and is an excellent first-stop destination as a newly enrolled UCSB student.

## ONDAS

The Opening New Doors to Accelerating Success Student Center is at the center of the first-generation college student community (students who are the first in their family to attend college) at UCSB. Get career advising, graduate school help, graduation advising, and more directly from ONDAS staff who are experts in the first-generation college experience.

## SRB

The SRB is one of the central hubs for student resources on campus— it's also a great study space that is not too far away from the local community of Isla Vista! From tutoring, cultural resource centers, LGBTQIA+ services, international student resources, disabled student services and more, it has it all!

# EOP

The Educational Opportunity Program is committed to providing a support and information base that validates each student's experience and nurtures a sense of participation, belonging and empowerment. Through mentorship, academic programs, one-to-one counseling/advising, campus student support service referrals and social/cultural programming, EOP strives to maximize a student's involvement and success in the campus academic community. In addition to assisting students through to graduation, EOP helps motivate and inform students to utilize services to enhance their preparation for the job market and/or graduate/professional school admission. EOP focuses on serving those who are income eligible and first-generation undergraduates.

## TRANSFER SUMMER

Did you know that you can get started on your graduation requirements from UCSB as early as this summer? Transfer students are strongly encouraged to consider enrolling in Transfer Edge, where students engage in transfer-focused courses to learn about campus resources, facilities, and services designed to support success and well-being. EOP also provides an in-person Summer Transfer Transition Program (STTP) for students who qualify.
